APPLICATION PACKAGE

Please include the following in your application package:

- 1) A completed application form.
- 2) Transcripts or other records showing achievement in past or current educational program.
- 3) A letter outlining, but including relevant details:
 - Your program of studies or training.
 - Your objectives in your field of studies, and the benefits you hope to gain.
 - Your capacity to complete the program of studies.
 - Your future plans and how this program of studies will contribute to them.
 - Your contribution to the community or family following the completion of your studies.
- 4) A simple financial plan or budget that includes all projected costs related to your program, including tuition, living expenses if applicable, books, tools, supplies and other expenses and how you plan to meet these expenses over the duration of your program of study. All sources of income should be identified, including expectations from scholarships and bursaries, employment etc.
- 5) A letter from a Subud member in good standing who will confirm your status.
- 6) Two confidential letters of reference from educators or others in your field of study or program recommending you for the scholarship, and including relevant qualities. Each letter must be on official letterhead from the referee's institution.

The letter must be sealed, with the referee's signature across the back of the seal. You must include these sealed envelopes with the application.
