

"The mission of Subud to bring peace and harmony to humankind through the latihan kejiwaan will only be achieved when large Subud Enterprises and the significant social projects they finance are well established across the globe". From the document: Bapak's Advice & Guidance Concerning Enterprise, 2011

- WSC APPROVES SESI WORK PLAN.
- RUSLAN STEPS DOWN AS SESI COORDINATOR, HIS REPLACEMENT PLUS NEW BOARD MEMBERS AND ADVISORS SOUGHT.
- SESI INITIATES TWO NEW INTERNATIONAL ENTERPRISES IN KALIMANTAN.
- WEB SITE DEVELOPMENTS PROCEED.

RUSLAN AND RASHAD AT WSC MEETING; Americas Zone Gathering, and SUSA Congress

In broad terms SESI is mandated to support the development of major Subud Enterprises; will review and inform the membership concerning investment opportunities in them but not formally endorse such investments, and will support the creation of Oversight Boards to ensure each enterprise meets its obligations to Subud and all its stakeholders.

Enterprise Developments roles and functions – SESI clarified the roles and responsibilities of all stakeholders in the development and management of major international and national Subud enterprises. [Read more.](#)

Americas Zone Gathering and US Congress – Presentations were made to plenary sessions and to workshops at both events focusing on SESI's general mission as well as the specifics of the two international enterprises that SESI is supporting in Kalimantan. [Read more.](#)

KALIMANTAN BUSINESS DEVELOPMENTS

SESI has initiated new international enterprises to support its activities in Kalimantan, through providing consultancy services, feasibility studies, and financing services – and has already initiated the resurrection of Bapak's original oil palm enterprise.

The Karmanna Group – by Ruslan Morris, M.A., C.F.A.

In 1970 Ruslan Morris emigrated to Indonesia from the USA, and went into business with Muhammad Asikin. They started a trading company and were joined in the partnership (C.V.) by Bapak Mhd Subuh Sumohadiwidjojo, Haryono Sumohadiwidjojo, and Achmad Bachtiar. Bapak gave the name C.V. Karya Manca Warna, or "Karmanna" for short. Karya means Work, Manca means Many, and Warna means Colors. **Read more here:** [FeaturedEnterprises-KarmannaGroup](#)

KGC Shareholder Representation – Luke Pensenev, WSA Chair and Sinar Investors Association (SIA) Governor attended the Kalimantan Gold Corp. (KGC) Annual General Meeting (AGM) on May 1st 2012 in Vancouver, BC, Canada. This was SIA's first opportunity to attend the KGC AGM on behalf of Subud institutional and individual shareholders. Luke was accompanied by Hanafi von Hahn.

WEB SITE DEVELOPMENTS & COMMUNICATIONS

The SESI web site at: www.subudenterprise.com is up and running. Significant new developments are taking place including:

- ı Enhanced social networking features.
- ı A register of members' enterprises and technical resources.

- ; Virtual "Market Places" where entrepreneurs can share knowledge and experiences.

- ; Connecting entrepreneurs with technical support and funding.

Samson Rogers in the UK is supporting these efforts, working with the Web Services Shop in Jakarta. Content improvements are supported by Leonard Dixon.

SUPPORT TO ZONE REPS, NATIONAL SES REPS

SESI is working to develop the resources to better support the activities of Zone Reps and National SES Reps in:

- ; The formation of Working Groups and Feasibility studies for National Enterprises.
- ; Establishing Oversight or Supervisory Boards for Subud Enterprises that employ Subud members' funds.
- ; Appropriate support to the enterprises of individual members.
- ; Developing databases and websites.

A survey is planned, shortly, to define and identify the kinds of resources that will best meet these more national needs.

OTHER INITIATIVES IN SUPPORT OF WSA

Databases - SESI is actively supporting the development of members' databases for WSA to improve communications.

Centers & Hotels Web Site - A team is being formed now to develop this web site that was requested as a result of a world congress resolution: "That WSA provide information to Member Countries about the various models of ownership, good governance, and uses of Subud premises worldwide, explaining their advantages and disadvantages".

KALIMANTAN GOLD CORP. – News

- ; The KGC sites in Central Kalimantan and East Kalimantan are buzzing with activity.
- ; See the videos, read Ruslan's article to find out what is happening, and add your comments to the blog.
