

# **Subud Youth Activities International (SYAI): Mid Term Review**

Current Team:

Area 1: Lucinda Young & Roland Fraval,

Area 2: Theresa Boyd,

Area 3: Alexandra Woodward & Ricardo Arratia.

## **Activities**

- Since Christchurch World Congress SYAI reps have attended; congresses, zone meetings, general and youth gatherings and WSC meetings relevant to their respective Areas.
- SYAI have been developing relationships within their Areas with a focus on youth representatives (national or otherwise).
- SYAI have taken an active role in the management of the International Youth Travel Fund(IYTF).

## **Achievements**

- All SYAI team members have all attended at least one gathering in their respective Areas.
- SYAI have run two fund-raising campaigns for the IYTF. An estimated \$3000 has been raised from these efforts (currently awaiting records of most recent campaign).
- Through the management and promotion of the IYTF x number of young people have been able to attend a gathering, Yes Quest or Human Force camp since 2010.
- SYAI have begun assisting in the management of the Yes Quest program.
- SYAI have developed platforms in social media (specifically Facebook) to distribute information relevant to Youth in particular information related to the IYTF & have used email to share the activities of Youth (li.e English School in Moldova).

## **Plans**

- 2 team members have left their positions since Christchurch. 1 has so far been replaced. SYAI intends for the remaining vacancy to be filled in order for Area 2 to have both a male and female co-ordinator.
- Continue to develop consistent communication from Youth to WSA and vice versa. (Via emails and social media platforms.)
- SYAI recognises the importance of the relationship between SYAI and zone representatives. SYAI aims to connect with respective zone representatives monthly.

- SYAI plans to continue to attend relevant gatherings in their respective Areas to gain an insight into youth needs and activities of each Area.
- SYAI will continue to improve management of the IYTF and to fund raise for IYTF (With a particular focus on promoting fund-raising locally).
- SYAI will continue to support and encourage youth activities.
- SYAI will continue it's support and management towards the Yes Quest program.
- SYAI will continue to support the management of the Human Force program.
