2009 World Subud Council Meeting AFFILIATE / ACTIVITY REPORT	
Name and Affiliate/Activity	Subud Youth Activities International
GOALS What has been your main focus this past year?	My primary focus this past year has been raising funds for IYTF-World Congress and processing applicants this past three months. Also, together with Rhyana and Maya, I am working on changes to be introduced at the world congress on the structure for the international youth coordinators.
PROJECTS Please report on important developments in members projects in the last year.	There have been many projects supporting the IYTF over this past year. A few are: T-shirt sales in England; youth cafe at the French National Congress; recycling project in Hawaii; concert in Washington, US; art auction currently taking place organized by two youth from Great Britain. Also there have been many individual donations to SYA and IYTF.
COLLABORATION How do you see the possibilities for better collaboration within the WSA?	I feel that the activities by and for SYA have continued to increase, especially over the past two years. I see this as a great trend for our future and wish to thank WSA, GFHP and MSF for their tremendous support. I would hope that this trend continues after the world congress in New Zealand.
WORLD CONGRESS Do you have specific ideas to share about the future direction and priorities of WSA? Or especially in relation to your area of interest?	Rhyana Blakeley and I will present the ideas for "Envisioning a Youth Structure" at the world congress. We will also meet with the youth attending and discuss other objectives and concerns. I am sure this will be a wonderful chance for development and growth.
WSC MEETING What would you like to see addressed at the 2009 WSC meeting?	I would just like to send my prayers and best wishes to those attending. I hope that everyone has seen the reports from the Pan American Youth Gathering at Amanecer, Colombia. As much as I would love to be there with you, I know you would have loved to be at Amanecer this past April.
