## 2010 Subud World Subud Congress COUNTRY REPORT

|   |  |
|---|--|
| <b>NAME of COUNTRY</b>                                    | <b>Switzerland</b>   |
| <b>GENERAL FACTS</b> such as number of members and groups | There are 59 members in Subud Switzerland, including 20 helpers<br>They are organized in 5 Subud groups. Geneva, Zürich, St. Gallen, Schaffhausen and Rheintal, (Rheintal is a small group, and they come for Latihan to St. Gallen)   |
| <b>GENERAL CHANGES</b> in the last four years             | Two years ago we had great difficulties to find a committee. In 2007 group St. Gallen assumed the committee. Since this time we made a lot of administration work such as : New Statues, clearing of the member-list, clarification of responsibilities and structural questions   |
| <b>IMPORTANT EVENTS</b> in your country since 2005        | There were yearly member-meetings and the last Subud Snowcamp was 2007. We had no appropriate locations anymore and also the members who had organized the snowcamp were fed up to organize it again.  |
| <b>WORK OF NATIONAL COMMITTEE</b> in the last four years  | Communication and information on a national level, new website,<br>•International communication and information, reports, •Bookkeeping and financial planning, •Redefining committee membership and helpers' duties,<br>•New membership application form, •Recommendations for financial contributions for members, including rent for latihan premises, •Clarification of membership status for active and passive members<br>•Designating representatives for group contact and for isolated members<br>•Organization of regular 2-monthly Helper-Committee latihan in St. Gallen<br>•Clarification of translation needs (Statutes translation), Delegates for Subud World Congress, •Kejiwaan meeting in every Autumn, •Organization and coordination of AGMs, •Definition and clarification of "Administration of international delegates" New draft of statutes |
| <b>HIGHLIGHTS of MEMBERS' PROJECTS</b>                    | Snowcamp organized 2005 - 2007 by Sebastian Quiblier<br>New Statutes 2009, a group took over the committee, and no def. chaiperson exists anymore.   |
| <b>IMPORTANT OBJECTIVES and HOPES</b> for the future      | That the Latihan gets more present in each of us, and that there are more members who want to take care of Subud and do Subud work. A great wish to the international administration: there is a lot of information of the Subud World which is mostly unimportant. Half the amount would be better.   |
| <b>NATIONAL FINANCES</b>                                  | With 59 members (and from them only a part pays the member contribution) we have a very small budget, so that we could hardly bring up the money for the latihan locations, international fares ,....  |
| <b>ANY OTHER THINGS</b> to report                         |  |
