### Important Objectives and Hopes for the Future:

**Believe** that we all belong to a brotherhood with the confidence in the internal guide that unites us with the God of the world and have faith in God all mighty.

**Improve** the material and spiritual richness that we need as Bapak said but with out letting our selves be influenced by the material things.

**Have courage** to contribute in the realization of the dreams of our brothers and sisters and that all that we do in life shall prevail in the feeling of sincerity.

**Accept** with quietness, serenity and submission the problems and the permit to forgive them.

**Work** under the guide of God being more diligent.

**Receive** the feeling and the understanding so that practicing Latihan we get to be better human beings.

**Thank God** for giving us this chance to know him throw this grace given by Him.

Best regards
