**2011 World Subud Council Meeting  
AREA 3 INTERNATIONAL HELPER REPORT**

<b>Area and Names</b>	Area3: Elaina Dodson, Grace Hodgson, Hamilton Schragen, Daniela Urrutia, Manuel Urrejola, Reynaldo Mosquera
<b>VISITS</b> Which countries have you visited and when?	Brazil-Nov. 2010- Peru - Nov, Colombia - February 2011, Mexico-April 2011
<b>IMPRESSIONS</b> Please report on the most important aspects of your trips.	'We did a lot of Latihan and testing both in groups and with individuals during both of these trips. My sense was the Latihan was very wide and deep in both countries, and the sincerity of the members was tangible and very moving.' ED. Brazil - feeling of unity within the zone, and support for Argentina from neighbouring countries GH Colombia - large membership, and deep commitment to the latihan;but amanecer a 'hot spot' - for the forces: if there's not enough latihan, something else takes over.GH Mexico - core of very strong members who are devoted to Subud. Need the feeling of unity with,and support of zone 7 and the rest of the Subud world, to host the next congress.GH
<b>DEWAN MEETINGS</b> Any information to share with the council.	Although all six of us were together in Brazil, I felt we did not have enough time together as a dewan; we were always rushing to the "next thing" because of testing needs and the Gathering needs. ED
<b>GOALS</b> What are your goals for the coming year?	Our goals will be determined when we all meet at the WSC meeting in Indonesia in June. I hope we will have time to meet as an Area 3 dewan, but also for the full IH dewan of 18 to meet and test about our purpose. I sense more and more that our purpose is to make the space for members to stand on their own feet, finding that place inside where they truly receive, and learning to trust and follow it. ED (especially helpers - GH)
<b>ANYTHING ELSE</b>	Please allow us the time to be together in Indonesia!ED Since Christchurch, all our visits have been within Latin America - reinforces the need for much translation at congresses - we need to embrace all this energy!GH
<b>WSC MEETING</b> What would you like to see addressed at the 2011 WSC meeting?	What is an International Subud Centre? What are our expectations? What is the reality of these places?Are they Subud projects, group, or individual's projects?GH How easy it is to get diverted from a place of inner quiet. I wonder, might there be a whole new way to have a WSC meeting? It might be fun, and a relief, to explore this when we are together as a full council in Indonesia. Do we dare put aside some of the business we consider to be so terribly urgent to make the time and space to explore a new way to work together?? Do we have that kind of courage??ED
