HOLLAND: there was a great feeling of readiness to move forward in Subud Holland. There is a well established committee & helper network & a strong established latihan. In CANADA Hamish joined Area 3 IH's in supportive testing for Luke. VIENNA: About working together in the "outer" and the supporting role of the International helpers, who - after testing - understood the importance of being available for "the committee officers". Test questions: "How is it if we work together, relying on our own intelligence only?" "How is it if we work together, guided by Almighty God?"
