Numbers of helpers man and women: Two ladies

Are there new members : - None

missing helpers? Always welcome new helper who would be experienced and dedicated to latihan and members.

5. Helper Activities : e.g. regular Helpers Meeting/Latihan, helpers workshops, National helpers travelling, Gatherings

Whenever is needed by the members the helper from Zrenjanin is available to visit the member/s in Serbia or to welcome them to visit her.

6. Bapak's Talks *Are Bapak's Talks available in the country language and do the members read them?*

Yes, we have Serbian translation of Bapak'and Ibu' talk at the Subud Library.

7. Organisation – please provide an overview. *Add comments on any key issues or highlights e.g. national congress, legal affairs,*

Most members from Belgrade are not interested to take part in any of Subud organizations and are satisfied just to do latihan.

8. Finances – please provide an overview. *Add comments re contributions from members, and other sources of income (e.g. rental of latihan premises, enterprises) and major sources of expenditure. Attach a copy of the most recent financial statements if available*

We do not have regular contribution from the members or the income.

In 2012 some financing was provided by Zone 4 for 2 men to rent the latihan premises but other members from Serbia had not taken a part of that.

9. Zonal and International – please provide an overview. *(For example, financial contributions, participation in events and projects, travel to and communication with other countries by office holders).*

We had some financial help from Zone 4 to join the Zone 4 meeting in Greece and some members personally finance to join the Zone 4 gathering in Hungary and Innsbruck.

10. Communication – please provide details of national newsletters, websites, and use of email.

Our communication with the members on a personal level and by email.

11. Publications / Translations – activities and key issues. *Please provide details of any publication / translation projects.*

Major Subud books have already been translated (Susila Budhi Dharma, The meaning of Subud, Bapak' Autobiography, talks and others) placed at the Subud Library.
